## **Hotel / Accomodation Safes**

Thanks to its rich range of products,  
the Technomax Hotel Safe Line offers an  
effective application not only for Hotels,  
but for the whole accomodation field:

Tourist Villages; Residential Hotels  
Cruise Ships; Hospitals  
Nursing Homes; Campers & Caravans

[See pages 1 - 12](#)

**Personal Use Safes for Home, Office or Car**

[See pages 13 - 15](#)

# ACCOMODATION SAFES

## HINGED DOOR - TSQ/4HN

Motorized electronic combination with visual LED display & internal light

LED Display  
+Audit

Thickness of door: 5 mm; Thickness of body: 2 mm

Motorized digital combination lock controlled by a high performing electronic system

Blue backlit keyboard lights up when any key is entered

Internal LED lighting at the door opening; Guest code programmable from 4 to 6 digits

All functions are marked by high contrast digit blue LED display

Possibility to program a master code for use by Hotel/Accommodation Management

Override key for emergency opening (identical for all safes of the same Hotel/Accommodation)

Audit trail of last 100 events visible on display (opening/closing)

Powered by 4 x 1,5V alkaline batteries; Internal carpet provided

Back & base fixing holes (2+4); Screw anchor fixing bolts provided

Black colour powder coated finishing

Backlit keyboard

Laptop 15"
