MW 250

Motorized desk suitable for tasks such as assembly, workshop or packing

The desk is made of lacquered steel, which is resistant to corrosion & wear, at the same time having a dirt repellent surface

The height can be adjusted with a table control

Lift speed of 35 mm/sec unloaded

Equipped with double motors & plugs into 230 V / 50 Hz

The legs have adjustable feet & can also be equipped with wheels

Maximum load 250 kg distributed weight

Minimum height 690 mm, Maximum height 1180 mm

The desk is supplied with a worktop in laminate

The laminate top is a worktop with a tough, scratch-resistant surface & good resistance to liquids & chemicals

Easy to wipe off & keep clean; Edge strip in grey ABS

The worktop has a solid wood core & a protective barrier of fibreboard

The desk is delivered unassembled
